We regularly take photographs and video during our Handmade markets. These photographs and videos are used on our website and in our social media to showcase products and the events.

From time to time, members of the public appear in these photographs. While we know that there is no law against taking these photographs and using them, if you have concerns about the use of an image of you or a member of your family for safety or personal reasons, please contact admin@handmadecanberra.com.au.

Photographs and video used on this website and in social media are subject to copyright, either of Handmade Canberra, individual designers and producers, or the photographers.
